

Children and Families Worker

Golders Green Parish Church

Golders Green Parish Church is part of the Diocese of London within the Church of England. We are a welcoming and culturally diverse Christian community in which all members feel they belong, can grow in their faith and are able to offer their gifts.

We are looking for an inspiring and enthusiastic person to lead, develop and grow our work with children and families. We are passionate for children and families to encounter and experience the love of God, and we see this appointment as core to growing this vital area of ministry. We have positive connections with an increasing number of parents and carers through our weekly toddler group, and we are excited by the potential to build on these.

Our ideal appointee will both develop our existing work and pioneer new initiatives, all designed to enable children and their families to know that they are welcomed and valued participants in our church life and worship.

We are seeking someone with an active Christian faith, who is committed to our vision and is warm, approachable, flexible, organised, a team player and self-starter. Previous experience in working with children and families is essential. References will be taken up on application. It is a Genuine Occupational Requirement that a practising Christian be appointed to the post.
